Career Highlights or Achievements

Senior EY audit partner with over 37 years of experience working with Canadian, U.S. and International listed companies in various industries. Constant communication with senior executives, members of the Board of Directors and various committees. Some of my clients over the years were: Bombardier Produits Récréatifs, Caisse de Dépôt et Placement du Québec, CGI, Gildan, Mapei, Power Corporation du Canada, Québecor, Rona, SNC-Lavalin, Standard Life.

Managing Partner of the Canadian Audit practice, responsible for revenue and P&L, partner evaluations, strategic direction and restructuring of the practice in a new model. The audit practice consisted of over 100 partners and more than 1,000 staff.

Managing Partner of Audit & Advisory practice for Central Europe. The region consisted of over 12 countries. Responsible for the revenue and P&L, partner evaluations, strategic direction and restructuring of the practice in a new model. The Audit & Advisory practice consisted of over 500 partners and more than 5,000 staff.

Participated in many public offerings in Canada, U.S. and International. Involved in many mergers and acquisitions.

Continuous involvement with complex transactions resulting in accounting and auditing challenges.

Achievements related to Governance on Boards

Enhanced the governance model of some NFP organizations.

Gave speeches and presentations guiding companies in managing their affairs. Also contributed in teaching at the College des Administrateurs de l'Université Laval.

Organized many roundtable meetings with Audit Committee Chair, CFO's, V.P. Finance, V.P. Internal Audit, Treasurers and others.

Created a very large community network of CEO, CFO and Board Directors.
