**White Lustrium®** - This Jostens exclusive metal blend is a durable and affordable silver-toned metal.

**SunCast™** - A 23K layered gold coating applied over a white Lustrium base ring.

**Solaris Elite™** - Our patent-pending yellow blend metal is a combination of precious metals, including silver, and non-precious metals to create a beautiful, brilliant and durable solid metal.

**White Gold & Yellow Gold** - Nothing stands the test of time like gold. Its durability ensures lasting value over time. Note: The higher the karat, the higher the percentage of gold in your ring.
