**SUPPORT THE AIR CADET LEAGUE OF CANADA**

# WHAT DOES THE AIR CADET LEAGUE DO?

The Air Cadet League of Canada is a non-profit organization that partners with the Canadian Armed Forces at the national, provincial/territorial, and local level to support the Air Cadet Program. Our network of over 5,000 volunteers work tirelessly to provide Air Cadets with the best possible experience.

Squadron Sponsoring Committees (SSC) play a crucial role in supporting the program at a local-level by helping Squadron Officers and Cadets purchase, maintain and organize transportation, equipment, facilities and extracurricular activities.

# WHY WE NEED VOLUNTEERS

Without members and volunteers, many activities in a Squadron would not take place. SSC Members and Volunteers give their time in a variety of ways, for example: coordinating a mess dinner, helping with special events, being a webmaster, a photographer or a media relations representative for the Squadron and more!

Your volunteering is neither mandatory nor a condition for your cadet's participation in the program, but will allow us to continue supporting one of the best youth programs in the world. There are volunteer opportunities for all parents/guardians, no matter experience or time-commitment!

# HOW YOUR FUNDS WILL SUPPORT US

Your funds support a number of initiatives that directly support Air Cadets. This includes, but is not limited to the Cadet Gliding Program, with over 100 aircraft owned by the league for Air Cadet training. Additionally, we are pleased to offer over \$100,000 in scholarships for cadets each year.
