To all Provincial Committee Chairpersons:

**RE: FUNDING FOR 75<sup>TH</sup> ANNIVERSARY SPECIAL PC EVENTS**

I am pleased to advise that funding totalling \$100,000.00 has been approved for PC Special Events to be arranged and conducted by each PC during the 75<sup>th</sup> Anniversary National Air Cadet Week which will be celebrated from **April 9 to 17, 2016**.

In the event that a PC has already set its Anniversary Event date, and is unable to reschedule it for the designated National Air Cadet Week, application should be made to the 75<sup>th</sup> Anniversary Committee to alter their date.

Each PC will conduct a special provincial level activity, or a series of activities, such as parades, band concerts, sports competitions, aircraft fly-ins, or other suitable events which directly support the Cadet Training Program. The objective of these events is to highlight and feature the Air Cadets of Canada on their 75<sup>th</sup> Anniversary.

PCs may conduct joint events with each other, in which case their funding may be pooled.

For the purpose of equitably distributing these funds, PCs have been broken down into the following categories, with available funds to each PC as set forth:

<b>Small PCs</b> , being NL, PEI, NB, PTAC and NWO	\$6,000.00
<b>Medium PCs</b> , being NS, MB, SK and AB	\$8,000.00
<b>Large PCs</b> , being BC and GOV	\$11,000.00
<b>Extra Large PC</b> , being OPC	\$15,000.00

Please note that additional funding will be made available for the National Fun Run, separate and apart from the funds as above noted. Details will be included in the Fun Run packages, to be sent out in the near future.

An Initial Application for funds, from each PC, will be required to be filed with the Air Cadet League of Canada National Office, by electronic mail to: [leaguehq@aircadetleague.com](mailto:leaguehq@aircadetleague.com), **no later than 1 June 2015**, as each of the Initial Applications will be reviewed shortly thereafter.

This application, which is attached, will set forth, in general terms, the nature of the event(s), when and where the event(s) will be held, and an initial estimate of the cost of same. Each application will be scrutinized for acceptability, and will then be accepted, accepted with conditions, or rejected, and each PC will be notified in a timely manner.

Once approved, each PC will then have until **no later than 31 August 2015** to submit its Final Application for Funding. The Initial Application form and the Final Application form will be found on the National Air Cadet League website within the next few days.

The Final Application Form should be submitted to the National Office as soon as reasonably practicable after the Initial Application has been approved.

In **exceptional cases** only, where a PC may require “seed money” for its event(s), special application may be made for an advance of funds.

Please bear in mind that all deadlines are firm, unconditional and non-negotiable, in that time is of the essence.

Yours in Cadets,

**Merv Ozirny, Member  
75<sup>th</sup> Anniversary Committee**
