

For immediate release

The Air Cadet League of Canada has announced the recipients of 29 post-secondary scholarships

OTTAWA, ON (June 9, 2023) - The Air Cadet League of Canada (ACL) is delighted to have awarded post-secondary scholarships on May 27 during a virtual ceremony.

This year, the generosity of our donors and partners enabled us to award **29 cadets** a total of **\$61,000**. In 2023, we received 177 applications for post-secondary scholarships.

Each year, we have the pleasure of encouraging cadets to pursue their post-secondary studies by awarding a certain number of bursaries. This number varies from year to year, depending on the funds we receive from our valued partners and donors. Our Cadet Scholarships and Awards Committee evaluates each application according to the following criteria:

- Achievements within the squadron and the organization
- Involvement in optional squadron activities
- Community involvement
- High School marks, Grade 12 (60%)
- Written statement
- Recommendation letters
- Requirements of the donors

Congratulations to the following 29 recipients and thank you to all our partners and donors!
