# CAIG ALL-CLEAR AIRCRAFT POLICY

**Your 400 All-Clear Aircraft Policy.** Throughout this policy the words “you” and “your” refer to the person or organization named on the Coverage Summary Page as “Policyholder.” The words “we,” “us” and “our” refer to the Companies executing this policy (collectively the “Companies” and each individually a “Company”). “Company(ies)” means the Company or Companies stated in the Participating Company Schedule attached to this policy. “Aviation Managers” means Canadian Aviation Insurance Managers Ltd.

Service of process or of any notice or proof of loss required by this policy, made upon any one of the Company(ies), or upon a duly authorized agent of any one of the Company(ies), shall constitute service upon all Company(ies). Each of the Company(ies) hereby appoints Aviation Managers as its duly authorized agent for receipt of service of process or any notice or proof of loss hereunder.

**Policy period.** Your policy will begin and end at the time and on the dates shown on the Coverage Summary Page.

**When and where you are covered.** You are covered for occurrences that take place during your policy period while your aircraft described on the Coverage Summary Page is in Canada, the United States and its territories and possessions, the French Islands of St. Pierre and Miquelon, Mexico, the Bahamas and the islands of the West Indies, or while enroute between these places. By an occurrence we mean any accident or continuous or repeated exposure to conditions which you don't expect to happen resulting in bodily injury, property damage or loss of or damage to your aircraft. All injuries or damage resulting from generally the same conditions will be considered one occurrence.

**Policy limits.** The limits of your Coverage are shown on the Coverage Summary Page. These limits are the most we'll pay for: (1) damage to or loss of your aircraft; (2) bodily injury caused by your aircraft, including sickness, disease, mental anguish, personal injury or death; (3) property damage caused by your aircraft, including loss of use of the damaged property.

If two or more aircraft are protected under your policy, the “Limits of Coverage” apply separately to each aircraft.

**What is an aircraft?** Your aircraft includes your airplane or rotorcraft and any operating, navigating or radio equipment that's usually attached to the aircraft. Parts of your aircraft that are temporarily removed are also included as long as they're not replaced by other parts. Any tools and repair equipment standard for your type of aircraft are also included. In addition, we will cover personal property, carried in your aircraft, which is used in the operation of your aircraft. If you have other insurance covering a loss to a replaced part or personal property, this coverage shall be excess of the other insurance. And, personal property does not include wearing apparel and other personal property not used in the operation, communication or navigation of your aircraft.

**If you have a loss.** If an occurrence happens, you should notify the Aviation Managers, in writing, as soon as reasonably possible. Include the time and place of the occurrence and the names and addresses of any injured people and witnesses.

**What you must do.** You agree to notify the police if your aircraft, or any of its parts, is stolen. You will send us copies of all legal documents if you're sued or someone files a claim against you. You agree to help us in obtaining and giving evidence, attending hearings and trials, and getting witnesses to testify. And you won't make any statements without our permission, except to government officials. In addition, you agree not to voluntarily make any payments or take on any other legal responsibility without our permission. If you do, we may not reimburse you - even if the loss or expense would have been covered by your policy. We will reimburse you for money spent for emergency first aid to others at the time of an accident.

**Assignment-transfer.** Neither you nor any other person or organization covered under your policy can transfer your interest under the policy without the written consent of the Aviation Managers. If you die during your policy period, your legal representatives are covered while settling your estate, provided the Aviation Managers are notified within sixty (60) days of your death.

# CAIG ALL-CLEAR AIRCRAFT POLICY

**Changing this policy.** You can change your Coverage by having the Aviation Managers add an endorsement to your policy. Notice to your agent will not change the terms of your policy nor stop us or the Aviation Managers from enforcing our rights under it.

**Cancelling this policy.** You can cancel your policy at any time. We or the Aviation Managers have the same right. You can cancel your policy by telling us, in writing, when in the future you want your Coverage to end. We will compute the premium we've earned using the customary short rate table and procedure. Any premium we have not yet earned will be returned to you.

We or the Aviation Managers can cancel your policy by mailing or delivering notice to you at the address shown on the Coverage Summary Page at least thirty (30) days before the cancellation date. If, however, your policy is being cancelled because you didn't pay a premium, only ten (10) days notice will be provided. The mailing or delivery of the notice will be sufficient proof that you were notified. We will compute the premium we've earned based on the percentage of your policy period that has been used at the time of cancellation. Any premium we have not yet earned will be returned to you.

**Legal actions.** Each of us named in the Participating Company Schedule, or the Aviation Managers, can bring suit against you if you fail to pay a premium when it's due, or fail to live up to the terms of your policy in any other way.

**Province and Territory law.** If any terms of your policy conflict with any Province or Territory law, we'll comply with that law.

**Limitations on use.** To be covered under your policy the aircraft must be owned, maintained or used only for the aircraft use described on the Coverage Summary Page and described below and flown only by a pilot or pilots described on the Coverage Summary Page. The aircraft must also be registered under a "Normal" Airworthiness Certificate issued by the Department of Transport (DOT), or its foreign equivalent. While your aircraft is in the care, custody or control of a DOT Approved Repair Shop for the purpose of maintenance or repair, the "Pilots" section appearing on the Coverage Summary Page will not apply, provided you do nothing which would affect the "Rights against third parties" section of your policy.

**Non-Commercial use.** You may not charge any person or organization for using your aircraft. However, you may be reimbursed for operating expenses.

**Air Taxi Commercial use** means in addition to Non-Commercial use, you may charge for using the aircraft to transport passengers or freight only.

**Commercial use** means you may use the aircraft for Non-Commercial purposes and you may charge for any use of the aircraft.

**Special use** means you may use the aircraft only for the specific purposes described on the Coverage Summary Page.

**Claims we won't cover.** We won't cover claims for damage to your aircraft or any liability claims made against you while the aircraft is in flight under conditions requiring a special permit or waiver from the DOT even if a permit or waiver has been granted by the DOT.

**If you have other insurance.** If you have other insurance covering a loss that's also covered by your policy, we'll pay only our share of any claim. We will compute what percentage the applicable "Limits of Coverage" for your policy is of the total amount of all valid and collectible insurance covering the loss. We will pay this percentage. This section does not apply to any insurance purchased as excess insurance. Excess insurance is insurance which becomes effective only when all other valid and collectible insurance covering the loss has been exhausted. Other insurance includes any retained limit under any self insurance or deductible program you have established. If any other insurance covering the loss is written through the Aviation Managers, the "Limit of Coverage" that applies under your policy will be reduced by the "Limit of Coverage" under the other insurance.

**Our right of recovery.** If we pay a claim under your policy, we will take over your right to recover that amount from any other person or organization. You agree to cooperate with us and not do anything that will interfere with our chances of recovery.

# CAIG ALL-CLEAR AIRCRAFT POLICY

## YOUR LIABILITY COVERAGE

Following is a description of your Coverage under your policy for liability claims made against you. The "Limits of Coverage" you have purchased are shown on the Coverage Summary Page.

**Combined Liability Coverage for bodily injury and property damage.** If you have this Coverage, we'll pay claims for those sums that you become legally obligated to pay as damages for bodily injury, mental anguish, personal injury and damage to someone else's property resulting from the ownership, maintenance or use of the aircraft. But we won't pay more for all injuries and damage in any one occurrence than the "Limits of Coverage" shown on the Coverage Summary Page.

This coverage includes bodily injury, mental anguish and personal injury to persons or passengers. A passenger is anyone who enters your aircraft to ride in or operate it.

**Combined Liability Coverage for bodily injury (except to passengers) and property damage.** If you have this Coverage, we'll pay claims for those sums that you become legally obligated to pay as damages for bodily injury, mental anguish and personal injury to anyone - except a passenger - and damage to someone else's property resulting from the ownership, maintenance or use of the aircraft. But we won't pay more for all injuries and damage in any one occurrence than the "Limits of Coverage" shown on the Coverage Summary Page.

This coverage excludes bodily injury, mental anguish and personal injury to passengers. A passenger is anyone who enters your aircraft to ride in or operate it.

**Liability Coverage for bodily injury to anyone but passengers.** If you have this Coverage, we'll pay claims for those sums that you become legally obligated to pay as damages for bodily injury, mental anguish and personal injury to anyone - except a passenger - who is injured resulting from the ownership, maintenance or use of the aircraft. This coverage excludes bodily injury, mental anguish and personal injury to passengers. A passenger is anyone who enters your aircraft to ride in or operate it.

Two limits apply to this coverage. The "each person" limit, which is the most we'll pay for injury to any one person resulting from any one occurrence including damages for care and loss of services; and, the "each occurrence" limit which is the most we'll pay in any one occurrence regardless of how many people or organizations are involved.

**Liability Coverage for bodily injury to passengers only.** If you have this Coverage, we'll pay claims for those sums that you become legally obligated to pay as damages for bodily injury, mental anguish and personal injury to any passenger who is injured resulting from the ownership, maintenance or use of the aircraft. A passenger is anyone who enters your aircraft to ride in or operate it.

Two limits apply to this coverage. The "each passenger" limit, which is the most we'll pay for injury to any one passenger resulting from any one occurrence including damages for care and loss of services; and, the "each occurrence" limit which is the most we'll pay in any one occurrence regardless of how many people are involved.

**Liability Coverage for property damage.** If you have this Coverage, we'll pay claims for those sums that you become legally obligated to pay as damages for damage to someone else's property resulting from the ownership, maintenance or use of the aircraft.

The term "mental anguish" means the mental sensation of pain, distress, fright or anxiety, but only when the result of an occurrence covered under your policy.

As respects personal injury, the most we'll pay for all occurrences during your policy period is the "Aggregate Limit of Coverage" shown on the Coverage Summary Page. "Personal injury" means one or more of the following offenses: false arrest, detention or imprisonment, malicious prosecution, damage to someone's reputation or violation of someone's right to privacy, caused by publication or public statement; entering someone's residence, place of business or other property, or evicting someone from their home or place of business when you had no right to do so; or discrimination against someone on racial or religious grounds, where the law permits us to cover you for this type of discrimination committed by you or at your direction.

# CAIG ALL-CLEAR AIRCRAFT POLICY

**Who's covered.** Besides you, the "Policyholder," and your employees, while performing duties as part of their work for you, certain other people and organizations are also covered under "Your Liability Coverage," they are:

1. anyone who is using or riding in your aircraft with your permission; or
2. any person, including your employees or directors working or acting within the scope of their duties for you, or any organization that is legally responsible for the aircraft.

Each person or organization is covered separately. But we won't pay more for all injuries and damage in any one occurrence than the "Limits of Coverage" shown on the Coverage Summary Page.

**Who's not covered.** We will not cover any liability claim against the following persons or organizations, or their agents or employees, regardless of their inclusion under paragraphs 1. or 2. of the "Who's covered" section, while acting in their capacity as:

1. manufacturer or seller of aircraft, aircraft engines or accessories; or
2. operator of an aircraft repair shop, aircraft sales agency, aircraft rental service, flying school, flying service or pilot service; or
3. operator of any airport, hangar, or other aviation facility; or
4. a person whose services are paid for, contracted for or solicited from any of the operations listed in paragraphs 1., 2., or 3.; or
5. any person operating the aircraft as a student or renter pilot.
6. Nor will we cover any liability claim against any employee, including your own employees, who, while working within the scope of his or her duties, injures someone who works for the same employer.

**Additional liability coverage.** All payments described in this section are in addition to the applicable "Limits of Coverage" shown on the Coverage Summary Page.

**Defending suits.** We will defend any liability suit brought against you for bodily injury, mental anguish, personal injury or damage to property to which this insurance applies, even if the suit is groundless. We will also pay all costs of your defense, including investigation and court costs. We may investigate, negotiate and settle any claim or suit, if we decide this is appropriate. But, we won't be obligated to pay any claim or judgment or to defend any suit after your "Limit of Coverage" has been exhausted by payment of judgments or settlements.

**Bonds.** We will pay premiums for appeal bonds and bonds to release any property and personal belongings that are being held as security. We will also pay up to \$250 for any bail bond you may require because you violated a law or regulation during your policy period. However, we are not under any obligation to apply for or furnish these bonds.

**Interest.** We will pay any interest on any part of a judgment we are paying, which accrues after entry of the judgment and before we have paid that part of the judgment, which does not exceed your "Limit of Coverage."

**Expenses.** We will reimburse you for all reasonable expenses you incur while helping us at our request. We won't, however, pay for the loss of earnings or salaries of you or your employees. We'll pay all medical and surgical expenses you incur while providing immediate medical treatment at the time of an accident or occurrence.

**Suits for liability payment.** No suit or other legal action to recover payment under your policy can be brought unless you have complied with all its terms and a court has entered a judgment against you.

# CAIG ALL-CLEAR AIRCRAFT POLICY

## Liability claims we won't cover:

1. **Aircraft.** We won't cover claims for damage to your aircraft under "Your Liability Coverage" section of your policy.
2. **Assumed liability.** We won't cover any liability assumed under a contract or agreement other than an Airport Contract signed with a governmental body so an airport may be used.
3. **Intentional injury.** We won't cover claims for intentional injuries or property damage caused by you or any other person or organization at your or their direction, except to prevent dangerous interference with the operation of an aircraft.
4. **Workers' compensation.** We won't cover any claim that's covered under a workers' compensation, unemployment compensation, disability benefits law or similar law. Nor will we cover claims for injury to your or any other person's or organization's employees while they're actually doing work for you or them, except for liability you or they assume under a contract or agreement you or they sign with a governmental body so you or they may use an airport.
5. **Property damage.** We won't cover damage to any property you or any other person or organization legally responsible for the use of your aircraft owns, rents, controls or transports, including claims for loss of use and consequential damage.
6. **Personal injury.** We won't cover personal injury:
  - a. sustained by any person or organization shown on the Coverage Summary Page as the "Policyholder"; or
  - b. arising from any publication or utterance which first occurred before the effective date of your policy; or
  - c. arising from any publication or utterance made by any person or organization at their direction, knowing the publication or utterance to be false; or
  - d. arising out of any advertising by any person or organization described in the "Who's covered" section of your policy; or
  - e. which does not arise directly from your ownership, maintenance or use of your aircraft; or
  - f. sustained by any person arising directly or indirectly out of applying for, termination of, or related to their employment, including coercion, demotion, evaluation, reassignment, discipline, defamation, harassment, discrimination or other employment related practices, acts or omissions, by any person or organization described in the "Who's covered" section of your policy; or
  - g. arising from liability assumed by any person or organization described in the "Who's covered" section of your policy; or
  - h. arising out of the willful violation of a penal statute or offenses committed by or with the knowledge or consent of any person or organization described in the "Who's covered" section of your policy.

# CAIG ALL-CLEAR AIRCRAFT POLICY

7. **Bodily injury.** We won't cover bodily injury arising out of or as a consequence of applying for, termination of, or employment by any person or organization described in the "Who's covered" section of your policy. We won't cover bodily injury arising from coercion, demotion, evaluation, reassignment, discipline, defamation, harassment, discrimination or other employment related practices, policies, acts or omissions.

**Financial Responsibility Laws.** If your policy is certified as proof of insurance under any aircraft financial responsibility law, we will pay up to the limits of liability required by such law. But we won't pay more than the "Limit of Coverage" that applies under your policy. You agree to reimburse us for any amount we are required to pay under the law which is in excess of what we would otherwise have paid under your policy.

## YOUR AIRCRAFT PHYSICAL DAMAGE COVERAGE

If you have this Coverage, we'll cover you against risk of physical loss of or damage to your aircraft as the result of an occurrence both while it's in flight and while it isn't in flight. A fixed wing aircraft is in flight from the time it moves forward for takeoff and until it completes its landing run. A rotorcraft is in flight while its rotors are in motion as a result of engine power or autorotation.

We will consider an aircraft to be lost in flight if it disappears after takeoff and isn't located or its whereabouts are not reported within sixty (60) days. If your aircraft is stolen, we have the right to return stolen property to you, with payment for any damage resulting from the theft of the aircraft, at anytime before we make payment for the loss.

### What we'll pay.

**Total loss.** If your aircraft is a total loss, we'll pay you the amount shown on the Coverage Summary Page for your Aircraft Physical Damage Limit, less any deductible that applies.

We will consider your aircraft a total loss when the cost of repairs equals or exceeds the limit of "Your Aircraft Physical Damage Coverage" shown on the Coverage Summary Page.

All "Your Aircraft Physical Damage Coverage" for the aircraft will end as soon as we make payment, unless another aircraft is also insured for Aircraft Physical Damage Coverage under your policy.

**Partial loss - you make repairs.** If the aircraft is only partially damaged and you make repairs, we'll reimburse you for the following items, less any deductible that applies:

1. the cost of necessary material and parts of similar kind and quality;
2. wages paid at the current straight-time rate, at the place of repair, plus 150% of this amount to cover supervision and overhead.

**Partial loss - someone else makes repairs.** If your aircraft is damaged and the repairs are made by someone else, we'll pay you for the net cost to you of repairing your aircraft with material and parts of similar kind and quality, less any deductible that applies. But we won't pay overtime charges.

In addition, whether you make repairs or someone else makes repairs, we will pay the cost of transporting, by the least expensive means, damaged parts or the aircraft from the site of the loss to the most practical place where repairs can be made; and, the aircraft back to the place of the loss, or your home airport, whichever is closer.

The words "similar kind and quality" mean "similar kind and quality, less an allowance for physical deterioration and depreciation." If repair or replacement of damaged parts results in better than similar kind and quality you must pay the amount of the betterment.

**Your not in-motion deductible.** The not in-motion deductible shown on the Coverage Summary Page will apply to each loss to your aircraft while it's not in-motion.

**Your in-motion deductible.** The in-motion deductible shown on the Coverage Summary Page will apply to any loss to your aircraft while it is in-motion. An aircraft is in-motion whenever it is intentionally moving on the ground or in flight as a result of engine power or autorotation.

# CAIG ALL-CLEAR AIRCRAFT POLICY

This means you'll first pay an amount equal to the deductible. We will then pay the remainder of your loss up to the limit of "Your Aircraft Physical Damage Coverage."

No deductible will apply, however, to any loss to your aircraft caused by: (1) fire, explosion, lightning, theft, robbery, vandalism; or (2) an accident involving an aircraft we insure that's owned by someone else; or (3) accidental damage to your aircraft while it's being transported after being dismantled.

**Emergency landing.** If a pilot shown on the Coverage Summary Page is forced to make an emergency landing away from an airport and there is no physical damage to your aircraft, we will pay the cost of transporting your aircraft to an airport nearest the forced landing, by the least expensive means. But we won't pay more than the limit of "Your Aircraft Physical Damage Coverage."

**What you must do.** You agree to give us a sworn Proof of Loss Statement within ninety (90) days of the loss. You also agree to allow us or anyone we designate to question you under oath and to show us the damaged property and any records you have to prove the loss.

**When we'll pay.** We will pay for a loss to your aircraft within thirty (30) days from the time agreement is reached on the amount of the loss, provided you have complied with the requirements of your policy. We'll deduct any premiums you owe and other debts you have with us.

**Suits for aircraft physical damage payments.** No suit or other legal action to recover payment can be brought under your policy unless you have complied with all of its terms and the action is brought within one (1) year after the occurrence which led to the loss or damage.

**Rights against third parties.** This insurance is for your benefit alone and not for any other person or organization. Except for what you agree to do under an Airport Contract, you promise not to do anything that will take away our right to collect for damages caused by others.

**Automatic reinstatement.** If your aircraft is damaged, we'll reduce the limit of insurance you have on your aircraft by the amount of damage. Once repairs begin, we'll increase your limit of insurance by the value of the completed repairs until the original limit of insurance on your aircraft is restored or your policy expires, whichever happens first.

**Arbitration of disputes.** If we can't agree with you on the amount of loss to your aircraft, the following procedure will be used to settle the dispute:

1. You can request in writing that the dispute be submitted for arbitration. We can do the same.
2. Each will then select an appraiser and will inform the other of that choice within twenty (20) days of the initial notification.
3. The appraisers will select a competent and impartial umpire. If the appraisers can't agree on an umpire within fifteen (15) days, a judge of the Province or Territory in which the property is located can appoint an impartial umpire, if asked to do so by you or us.
4. Each appraiser will appraise the loss for each item. If they don't agree, they'll submit their differences to the umpire. Agreement by two of the three will decide the amount of the loss.

You will then pay your appraiser and we'll pay ours. Any other costs of the appraisal and the umpire will be divided equally.

**Salvage.** If an aircraft covered under "Your Aircraft Physical Damage Coverage" is damaged, you must do all you can to protect it from further loss. If you don't, we won't be responsible for further loss to the aircraft. We will pay all reasonable expenses you incur in protecting your aircraft from further loss.

# CAIG ALL-CLEAR AIRCRAFT POLICY

If we pay you for a total loss, we can elect to take over the salvage as our property. You cannot, however, merely abandon the damaged property to us. If we decide to take the salvage, we can sell it or do whatever else we want with it.

## Aircraft damage we won't cover:

1. **Tires.** We won't cover loss or damage to the tires of your aircraft unless caused by theft, vandalism or malicious mischief; or caused directly by other physical damage covered by your policy.
2. **Wear and tear.** We won't cover loss or damage to your aircraft caused by and confined to wear and tear, deterioration, mechanical or electrical breakdown or failure. Damage caused by breakdown, failure or malfunction of any engine component, accessory or part will be considered mechanical breakdown of the entire engine, and is not covered.

Loss or damage to electronic or electrically driven equipment caused by and confined to electrical power surge, failure or malfunction is not covered.

Damage to an engine caused by heat from its operation, attempted operation or shutdown will be considered wear and tear, and is not covered.

Damage to a turbine engine caused by an object which is not part of the engine or its accessories is foreign object damage. If the damage is caused by a single incident of sufficient severity to require immediate repairs in compliance with the requirements of the manufacturer, it is covered. However, if the damage is discovered at the time of inspection or overhaul, the damage must have occurred during your policy period.

Damage to engines covered by your policy is subject to "Your in-motion deductible."

3. **Consequential damage.** We will not cover any loss of use or any residual depreciation in value of your aircraft, either before or after repairs have been made.
4. **Embezzlement.** We won't cover loss or damage to your aircraft or its parts caused when someone with a legal right to possess your aircraft embezzles it.
5. **Ownership.** We won't cover loss or damage to your aircraft if your interest in the aircraft or your ownership changes from that stated on the Coverage Summary Page.

## YOUR MEDICAL COVERAGE

We will pay all reasonable medical expenses that passengers, pilots and crew members, including you, incur within one (1) year from the date of an accident. But the aircraft must have been used by you or with your permission when the accident occurred. Reasonable medical expenses include necessary costs of medical, surgical, dental, ambulance, hospital, professional nursing and funeral services.

**What we'll pay.** The amount shown on the Coverage Summary Page for "each person" is the most we'll pay for all medical expenses for one person in any one accident. We won't, however, provide medical services to anyone or their employees until any medical benefits covered under workers' compensation have been deducted.

**Whom we'll pay.** We can pay each injured person directly or we can pay the hospital or any other organization that provided service. Any payment we make will be applied against the limits of "Your Medical Coverage" but won't be an admission of your legal responsibility by us.

# **CAIG ALL-CLEAR AIRCRAFT POLICY**

**Proof of Loss.** As soon as reasonably possible after the accident, an injured person or someone representing him or her must give us written proof of a claim. An injured person must also submit to physical examination by any doctor we select, whenever we reasonably ask. You will also help us obtain medical reports and copies of records.

**Suits for medical payment.** No suit or other legal action to recover payment can be brought under your policy unless you have complied with all its terms and at least thirty (30) days have elapsed since the required proof of claim has been given to the Aviation Managers.

  - a. A “certified act of terrorism” means an act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States:
    - 1) to be an act of terrorism;
    - 2) to be a violent act or an act that is dangerous to human life, property or infrastructure;
    - 3) to have resulted in damage:
      - a) within the United States; or
      - b) to an air carrier (as defined in section 40102 of title 49, United States Code); to a United States flag vessel (or a vessel based principally in the United States on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or at the premises of any United States mission.
    - 4) to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.
  - b. “Certified terrorism loss” means loss that results from a “certified act of terrorism.”
  - c. Under your Coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Act. Under the formula, the United States Government generally reimburses 85% through 2015; 84% beginning on January 1, 2016; 83% beginning on January 1, 2017; 82% beginning on January 1, 2018; 81% beginning on January 1, 2019 and 80% beginning on January 1, 2020 of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the Coverage. The Act contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers’ liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your Coverage may be reduced.

The portion of your annual premium that is attributable to Coverage for certified acts of terrorism is as follows, and does not include any charges for the portion of losses covered by the United States government under the Act.

## Student and Renter Pilot Liability Coverage

The "Who's not covered" section of your policy is changed to read as follows:

**Who's not covered.** We will not cover any liability claim against the following persons or organizations, or their agents or employees, regardless of their inclusion under paragraphs 1. or 2. of the "Who's covered" section, while acting in their capacity as:

1. manufacturer or seller of aircraft, aircraft engines or accessories; or
2. operator of an aircraft repair shop, aircraft sales agency, aircraft rental service, flying school, flying service or pilot service; or
3. operator of any airport, hangar, or other aviation facility; or
4. a person whose services are paid for, contracted for or solicited from any of the operations listed in paragraphs 1., 2., or 3.
5. Nor will we cover any liability claim against any employee, including your own employees, who, while working within the scope of his or her duties injures someone who works for the same employer.

We won't, however, pay more than the amount set forth below on behalf of a student or renter pilot whenever they're using an aircraft covered by your policy.

Combined Liability Coverage for bodily injury and property damage	\$ 2,000,000	Each Occurrence

The Limit of Coverage under this endorsement is part of and not in addition to your Limits of Coverage shown on the Coverage Summary Page.

Coverage under this endorsement provides excess insurance. If the student or renter pilot has other insurance covering a loss or claim that's also covered by this endorsement, we'll pay claims only when all other valid and collectible insurance covering the loss has been exhausted. Other insurance includes any retained limit under any self insurance or deductible program you have established.

In addition we will pay claims, for which you are legally liable to pay as damages, for bodily injury, mental anguish, personal injury and damage to someone else's property resulting from the sale of aircraft equipment, maintenance or services to someone else on a non-profit basis.

You are covered for claims arising out of an accident causing bodily injury or property damage which occurs during your policy period. This Coverage for sale of your aircraft, aircraft parts, equipment, maintenance or services is in addition to the Limits of Coverage for "**Combined Liability Coverage for bodily injury and property damage**" shown on the Coverage Summary Page, and is in the same amount as the highest Limit of Coverage for one aircraft.

**Physical Damage Coverage for Spare Parts**

**Policy No. 400AC-57094**

This endorsement provides Coverage for all risks of physical loss of or damage to spare parts which you own while in the care, custody or control of K & L Soaring, LLC.

Spare parts are defined as engines, spare parts and equipment intended solely for attachment to an aircraft or which are designed exclusively for use with an aircraft.

**When and where you are covered.** You are covered for occurrences that take place during the policy period while the spare parts are in the care, custody or control of K&L Soaring, LLC, or while in transit by land, sea or air (including your own aircraft), within the United States and its territories and possessions, Canada, Mexico, the Bahamas and the islands of the West Indies.

**Who’s covered by this endorsement.** The “Who’s covered” section of your policy is changed to read:

**Who’s covered.** We will cover the following person(s) or organization(s):

**Air Cadet League of Canada.**

Coverage	Limits of Coverage		
All risks of physical loss of or damage to spare parts, excluding spare parts in transit	\$	100,000	Each Occurrence
All risks of physical loss of or damage to spare parts in transit	\$	100,000	Each Occurrence

We will apply a deductible of \$1,000 to each claim for loss or damage covered under this endorsement.

The “Limit of Coverage” shown above is in addition to the “Limits of Coverage” shown on the Coverage Summary Page.

**What we will pay.** If the spare part or parts are damaged and are a total loss, we will pay the amount you paid for the spare part or parts. If the spare part or parts are partially damaged, we will pay the net cost you must pay to repair the damaged part or parts as evidenced by your books and records.

However, in no event will we pay more than the cost to replace the damaged part or parts with ones of similar kind and quality; and, in the event of a total loss of all your spare parts in the care, custody or control of K&L Soaring, LLC., the most we will pay is the “Limit of Coverage” shown above, less any applicable deductible.

The words “similar kind and quality” mean “similar kind and quality, less an allowance for physical deterioration and depreciation.” If repair or replacement of the damaged parts results in better than similar kind and quality you must pay the amount of betterment.

**Whom we will pay, under this endorsement.** Payments for loss covered under this endorsement will be made to you.

# **CAIG All-Clear**

## **Physical Damage Coverage for Spare Parts**

**Policy No. 400AC-57094**

**Claims we won't cover.** We won't cover loss or damage:

1. to property which has been attached to an aircraft and is intended to be used on the aircraft;
2. caused by and confined to wear and tear, deterioration, freezing, mechanical or electrical breakdown or failure, unless the loss is a direct result of other physical damage covered under this endorsement;
3. caused when someone with a legal right to possess the spare parts, embezzles or converts them;
4. caused by declared or undeclared war, invasion, rebellion or by seizure or detention of the spare parts by any government; nor will we cover damage done to spare parts by or at the direction of any government;
5. arising out of mysterious disappearance or unexplained loss or shortage disclosed upon taking inventory.

We won't cover:

1. any consequential loss of any nature;
2. any loss of market value or profit because of any delay whether or not the delay is caused by an occurrence covered by your policy.

**What you must do.** You agree to give us a sworn proof of loss statement within ninety (90) days of the loss. You also agree to allow us or anyone we designate to question you under oath and to show us the damaged property and any records you have to prove the loss.

**When we will pay.** We will pay for a loss to spare parts within thirty (30) days from the time agreement is reached on the amount of loss. But you must have complied with the requirements of this endorsement and your policy. And, we will deduct any premiums you owe and other debts you have with us. We have the right to return stolen property to you with payment for any resultant damage to the parts at anytime before we make payment for the loss.

**Suits for spare parts physical damage payments.** No suit or other legal action to recover payment can be brought under this endorsement and your policy unless you have complied with all of its terms and the action is brought within one (1) year after the occurrence which led to the loss or damage.

**Rights against third parties.** This insurance is for your benefit alone and not for any other person or organization. You promise not to do anything that will take away our right to collect for damages caused by others.

**Appraisal of loss.** If we can't agree with you on the amount of loss to your spare parts, the following procedure will be used to settle the dispute:

1. you can request, in writing, that the dispute be submitted for appraisal. We can do the same.
2. Each will then select an appraiser and will inform the other of that choice within twenty (20) days of the initial notification.
3. The appraisers will select a competent and impartial umpire. If the appraisers can't agree on an umpire within fifteen (15) days, a judge of the province in which the property is located can appoint an impartial umpire, if asked to do so by you or us.
4. Each appraiser will appraise the loss for each item. If they don't agree, they'll submit their differences to the umpire. Agreement by two of the three will decide the amount of the loss.

# CAIG All-Clear

## Physical Damage Coverage for Spare Parts

You will pay your appraiser and we will pay ours. Any other costs of the appraisal and the umpire will be divided equally.

**Salvage.** If spare parts covered under Physical Damage Coverage for Spare Parts are damaged, you must do all you can to protect them from further loss. If you don't, we won't be responsible for further loss of or damage to the spare part or parts.

We will pay all reasonable expenses you incur in protecting the spare part or parts from further loss.

If the spare part or parts are destroyed and we pay for a total loss, we can elect to take over the salvage as our property. You cannot, however, merely abandon the damaged property to us. If we decide to take the salvage, we can sell it or do whatever we want with it.

Who's covered by this endorsement. The "Who's covered" section of your policy is changed to read:

### Who's covered.

We'll cover the following persons or organizations while they're using an aircraft which isn't owned in full or in part by them or registered in their name or leased for one year or more exclusively to them:

#### Air Cadet League of Canada

We'll also cover employees and directors of the above organizations while they're using an aircraft in their professional capacity for your business. No person will be covered while using an aircraft they partly or wholly own or that is registered in their name or the name of any household member or which is leased for one year or more exclusively to them.

Throughout this section, the words you and your also include these other people and organizations.

Each person or organization is covered separately. But we won't pay more for all injury and damage in any one occurrence than the "Limit of Coverage" shown on the Coverage Summary Page.

What aircraft are covered. We'll cover any aircraft you use in your business registered under a "Normal" Airworthiness Certificate issued by the Department of Transport (DOT) or its foreign equivalent, provided it isn't owned by, registered to or leased for one year or more exclusively to any of the persons or organizations stated in the "Who's covered" section above.

This endorsement does not apply to aircraft covered elsewhere in your policy, nor does it cover any of the following aircraft:

- Rotary wing aircraft.

Aircraft use. You may use the aircraft for the purposes shown on the Coverage Summary Page of your policy.

Pilots. Any properly licensed and rated pilot who is approved by the Policyholder or any pilot holding a Student Pilot Permit – each flight by whom shall be under the direct supervision or have the specific approval of a pilot holding a DOT Pilot License endorsed for Instruction Privilege.

Limits of your Coverage. You are insured up to the limits shown below. For the Coverages provided by this endorsement, these "Limits of Coverage" replace the "Limits of Coverage" shown on the Coverage Summary Page. These Coverages are the same as those shown on the Coverage Summary Page.

Coverage	Limits of Coverage	
Combined Liability Coverage for bodily injury and property damage	\$ 5,000,000	Each Occurrence

## Non-Owned Aircraft Liability and Medical Coverage

In addition to the provisions of your policy and any attached endorsements, the claims we won't cover section of your policy is extended to include:

**Non-Owned Aircraft Liability Coverage for Aircraft Physical Damage**

Your business needs may require you rent, borrow or use aircraft you don't own in whole or in part. For this reason, we've developed this endorsement to expand **"Your Liability Coverage"** to cover claims arising from physical damage, which you have caused, to a non-owned aircraft you are using.

Who's covered by this endorsement. The **"Who's covered"** section of your policy is changed to read:

**Who's covered.**

We'll cover the following persons or organizations while they're using an aircraft which isn't owned in full or in part by them or registered in their name or leased for one year or more exclusively to them:

**Air Cadet League of Canada**

We'll also cover employees and directors of the above organizations while they're using an aircraft in their professional capacity for your business. No person will be covered while using an aircraft they partly or wholly own or that is registered in their name or the name of any household member or which is leased for one year or more exclusively to them.

Throughout this section, the words you and your also include these other people and organizations.

Each person or organization is covered separately. But we won't pay more for all injury and damage in any one occurrence than the "Limit of Coverage" shown on the Coverage Summary Page.

What aircraft are covered. We'll cover any aircraft you use in your business registered under a "Normal" Airworthiness Certificate issued by the Department of Transport (DOT) or its foreign equivalent, provided it isn't owned by, registered to or leased for one year or more exclusively to any of the persons or organizations stated in the **"Who's covered"** section above.

This endorsement does not apply to aircraft covered elsewhere in your policy, nor does it cover any of the following aircraft:

- **Rotary wing aircraft;**
- **Aircraft which has a seating capacity, including crew, in excess of four (4) passengers.**

Aircraft use. You may use the aircraft for the purposes shown on the Coverage Summary Page of your policy.

Pilots. Any properly licensed and rated pilot who is approved by the Policyholder or any pilot holding a Student Pilot Permit – each flight by whom shall be under the direct supervision or have the specific approval of a pilot holding a DOT Pilot License endorsed for Instruction Privilege.

Limit of your Coverage. You are insured up to the limit shown below. For the Coverages provided by this endorsement, these "Limits of Coverage" replace the "Limits of Coverage" shown on the Coverage Summary Page. This Coverage is in addition to those shown on the Coverage Summary Page.

Coverage	Limit of Coverage	
Liability Coverage for Aircraft Physical Damage	\$ 100,000	Each Occurrence

We will apply a deductible of \$Nil to each claim made under this endorsement.

# **CAIG All-Clear**

## **Non-Owned Aircraft Liability Coverage for Aircraft Physical Damage**

In addition to the provisions of your policy and any attached endorsements, the claims we won't cover section of your policy is extended to include:

We won't cover claims arising out of the use of any aircraft products you manufacture, sell, handle or distribute. However, this will not apply to the aircraft you are using.

Reports. You agree to tell us whenever you use an aircraft you don't own for more than seven (7) consecutive days. You will provide us with a detailed description of the aircraft and pay any additional premium.

Other insurance includes any retained limit under any self insurance or deductible program you have established. This restriction does not apply to any insurance you purchased in excess of this endorsement.

If any other insurance written through the Aviation Managers covers the loss, the "Limit of Coverage" under your policy will be reduced by the "Limit of Coverage" under the other insurance.

# CAIG All-Clear Premises Medical Coverage

We will pay all reasonable medical expenses that any person incurs, within one (1) year from the date of an accident, while on airport premises you own, maintain or use, provided that person is on airport premises with your permission. Reasonable medical expenses include the necessary cost of medical, surgical, dental, ambulance, hospital, professional nursing and funeral expenses.

What we'll pay. The most we'll pay for each person for all medical expenses in any one accident is \$10,000. We won't, however, provide medical services to anyone or their employees until any medical benefits covered under workers' compensation have been deducted.

Whom we'll pay. We can pay each injured person directly or we can pay the hospital or other organization that provided service. Any payment we make will be applied against the limits of "Your Medical Coverage" and won't be an admission of legal responsibility by us.

Proof of loss. As soon as reasonably possible after the accident an injured person or someone representing him or her must give us written proof of claim. An injured person must also submit to physical examination by any doctor we select whenever we reasonably ask. You will also help us obtain medical reports and copies of records.

Suits for medical payments. No suit or other legal action to recover payment can be brought under your policy unless you have complied with all its terms and at least thirty (30) days have elapsed since the required proof of claim has been given to the Aviation Managers.

## Lienholder's or Lessor's Interest Coverage

This endorsement expands "**Your Aircraft Physical Damage Coverage**" to protect the interest of the lienholder or lessor of the aircraft listed in the Schedule below. Should you do anything which makes your Coverage invalid, we will still make a payment to that lienholder or lessor to the extent coverage would otherwise apply.

Who's protected. The Coverage under this endorsement is only for the benefit of the lienholder or lessor.

Whom we'll pay. The "**Whom we'll pay**" section of the Coverage Summary Page is changed to include the lienholder or lessor whether or not we make a payment under this endorsement.

What we'll pay. If we claim your Coverage is invalid, we'll pay the lienholder or lessor either the amount of damages, or the amount of the lien, whichever is less. The most we'll pay is the limit of "**Your Aircraft Physical Damage Coverage**," less any deductible which applies. We won't, however, make any payment to the lienholder or lessor unless and until their interest in your aircraft is impaired and you are in default.

Determining the amount of lien. The amount of the lien will be reduced by any installments more than thirty (30) days overdue and by any charges not earned by the lienholder or lessor at the time of the occurrence causing loss of or damage to the aircraft.

If we make any payment to a lienholder or lessor because you invalidated your policy:

To the extent we have made a payment, we will be entitled to all rights the lienholder or lessor has against you through the lien or lease. They agree to assign and/or transfer to us all legal rights they have regarding the collateral, security or rights of recovery they have with you regarding loss of or damage to the aircraft.

You agree to pay us back the full amount of any payment we make.

What's not covered. We won't cover any loss of or damage to the aircraft caused by conversion, embezzlement or secretion by you.

What the lienholder or lessor must do. If you don't pay the premium due for your policy, the lienholder or lessor must pay us all premium due for the aircraft scheduled below. If you don't provide us with a proof of loss within the time required, the lienholder or lessor must provide us one within sixty (60) days after the required time.

If we cancel or materially change your policy or "**Your Aircraft Physical Damage Coverage**," we agree to give the lienholder or lessor thirty (30) days notice before the cancellation or material change takes effect.

The most we'll pay is the limit of "**Your Aircraft Physical Damage Coverage**," less any deductible which applies. We won't, however, make any payment to the lienholder or lessor unless and until their interest in your aircraft is impaired and you are in default.

Determining the amount of lien. The amount of the lien will be reduced by any installments more than thirty (30) days overdue and by any charges not earned by the lienholder or lessor at the time of the occurrence causing loss of or damage to the aircraft.

If we make any payment to a lienholder or lessor because you invalidated your policy:

To the extent we have made a payment, we will be entitled to all rights the lienholder or lessor has against you through the lien or lease. They agree to assign and/or transfer to us all legal rights they have regarding the collateral, security or rights of recovery they have with you regarding loss of or damage to the aircraft.

You agree to pay us back the full amount of any payment we make.

What's not covered. We won't cover any loss of or damage to the aircraft caused by conversion, embezzlement or secretion by you.

What the lienholder or lessor must do. If you don't pay the premium due for your policy, the lienholder or lessor must pay us all premium due for the aircraft scheduled below. If you don't provide us with a proof of loss within the time required, the lienholder or lessor must provide us one within sixty (60) days after the required time.

If we cancel or materially change your policy or "**Your Aircraft Physical Damage Coverage**," we agree to give the lienholder or lessor thirty (30) days notice before the cancellation or material change takes effect.
