The Air Cadet League of Canada Announces 2024 Flying Scholarships Recipients

OTTAWA, ON (December 5, 2024) – The Air Cadet League of Canada is pleased to announce the names of the 26 recipients of the 2023 Flight Training Achievement Awards. Thanks to the generosity of our partners and donors. We can present 18 Pilot Training Achievement Awards (PTAA) and 17 Continuation Flying Training Awards (CFTA) for a total of \$51,100.

PTAA: The purpose of the Pilot Training Achievement Awards is to provide funding for use in continuing a cadet's flying or gliding training. The awards average \$300 in value.

CFTA: The purpose of the Continuation Flying Training Awards offered by our partners is to provide cadets who have successfully completed the Power Pilot Scholarship Course with the opportunity to continue to accumulate flight time. The awards are from \$1000 to \$3000 each. It is hoped that these qualified recipients will one day give back to the program by becoming future flight instructors.

Congratulations to the following 35 recipients!
