OTTAWA, ON - On July 8, 2026, the Presidents of the three Cadet Leagues, Jacquie Pepper-Journal (Air), Cathy Bach (Army), and Jennifer Bennett (Navy), and the Commander of the Cadets and Junior Canadian Rangers (CJCR) Group, Brigadier-General Brais, representing the Canadian Armed Forces (CAF), signed a new Memorandum of Understanding (MOU) at CJCR Headquarters.

The MOU is a non-binding document that establishes the collaborative relationship between the Cadet Leagues and the CAF. Its purpose is to provide high-level guidance that identifies the participants, their shared objectives, and the cooperative framework required to support the Canadian Cadet Program.

ACL is a civilian non-profit community based and volunteer led organization which, in collaboration with the Canadian Armed Forces and our other partners, is dedicated to supporting the objectives of the Royal Canadian Air Cadet program, and to developing in youth the attributes of good citizenship and leadership; promoting physical fitness; and stimulating the interest of youth in the aviation and aerospace industry, including the Royal Canadian Air Force.
